Dear Mr. Ely:

Re: Permit Transfer and Self-Bonding Request, Utah Marblehead Lime Company, Marblehead Quarry, ACT/045/003, Tooele County, Utah

As I indicated in my letter of April 29, 1987, the Division must receive a completed Application for Permit Transfer (Form MR-10) before U.S. Pollution Control Inc.'s request for transfer can be initiated. To this end, I have enclosed an additional copy. Please forward the completed form to our office as soon as possible.

I have also enclosed the Self Bonding and Indemnity Agreement received by this office May 11, 1987. Please address the following concerns:

- 1) Page five - Please have the signatures dated and provide the positions (titles) of the corporate officers.
- 2) Page six - Please have the bottom half of this form (Affidavit of Qualification) completed for the individuals signing the agreement on page five.

Thank you for your cooperation. Should you have any questions or concerns, please contact me or Frank Filas.

Sincerely,

David M. Wham  
Reclamation Hydrologist
